# Guaranteed Analysis Florists' Fertilizers

**F**ROM NOW to replanting time you will need some of these. Our prices can't be beat if you insist on having the pure article. (There are lots of "cheap" offers to be had—but an impure fertilizer is not only valueless, but harmful, as growers all know, and not to be used, even if it costs nothing.) We guarantee the absolute purity of our fertilizers, as follows:

<i>Pure Bone Meal</i> . . . . .	200 lbs. 1000 lbs. 2000 lbs.	<i>Blood and Bone</i> . . . . .	200 lbs. 1000 lbs. 2000 lbs.
	\$3.50 \$14.00 \$27.50		\$4.00 \$15.00 \$28.50

<i>Nitrate of Soda</i> . . . . .	25 lbs. 100 lbs. 200 lbs.	<i>Horn Shavings</i> . . . . .	100 lbs.
	\$1.25 \$4.25 \$8.25		\$3.50

<i>Pulverized Sheep Manure</i> . . . . .	100 lbs. 500 lbs. 1000 lbs. 2000 lbs.
	\$1.50 \$6.25 \$10.00 \$18.00

The above fertilizers are so well known to all growers of flowers that further comment is unnecessary. Write for prices on larger quantities.

<i>Shredded Cattle Manure</i> . . . . .	100 lbs. 500 lbs. 1000 lbs. 2000 lbs.
	\$1.20 \$5.00 \$7.00 \$13.00

This we believe to be the coming fertilizer. Bassett & Washburn, Hinsdale, Illinois, after using two cars for trial, ordered three hundred tons, and say: "It is fully three to four times as strong as rough manure, and being put up in bags, not a pound is wasted, which makes it cheaper in our opinion than rough manure which we got for freight and cost of loading."

Not only should cut flower growers give this a trial, but florists who do bedding and other planting will find it a good seller to put on lawns. Clean—no odor. Write for prices on car lots.
